

## **Packing List & Transportation Details**

We're aware that packing for a 2-week camp can be overwhelming, so we are offering some suggestions below. Transition Camp will be located in Tucson, Arizona on our ASD/ASB campus. In June, Tucson is sunny with temperatures in the 100s, and at night the temperature is a comfortable 65-75 degrees. We'll be working to keep everyone cool and hydrated!

Campers will be sharing rooms in the dorms, so be sure to label things that come with your camper to avoid getting things mixed up! Lastly, dorms have washer/dryers where campers will be doing laundry halfway through camp, so don't worry about packing for every day.
